

# Homework Made Simple

Tips, Tools, and Solutions for Improving Homework for ADHD Students

## CHADD of Montgomery County

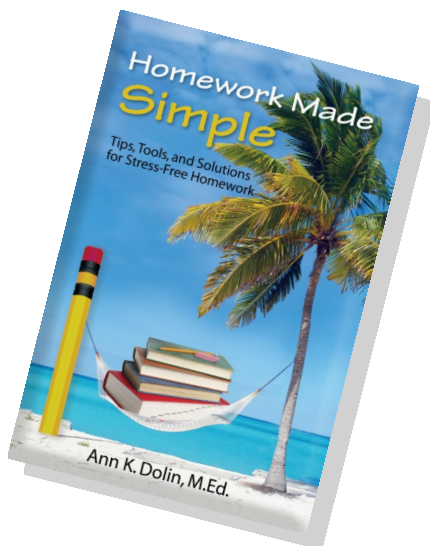

Twinbrook Library, Rockville, MD – February 23rd 7:15-9:00pm

Presented by

**Ann K. Dolin, M.Ed.**

President and Founder of Educational Connections Inc.

Ann has delivered hundreds of presentations on issue focusing on academic achievement and parenting. She has over 20 years of experience in education and is the author of the award-winning book *Homework Made Simple: Tips, Tools and Solutions for Stress-Free Homework.*

### In This Workshop You Will Learn To:

- Identify your child’s homework profile: (Disorganized, Rusher, Procrastinator, Avoider, Inattentive, Easily Frustrated)
- Learn practical solutions for each profile
- Teach students how to prioritize, break down large tasks, and plan assignments
- Reduce procrastination to eliminate last minute stress
- Encourage effective study skills for academic success
- Maintain and promote on-task and peaceful behavior during homework time
- Find the balance between helping too much and not enough.

*“Thank You! Lots of great information! I’ve heard nothing but gratitude from the parents and I’d love to have you train our teachers later this year.”*
